

the cranial chiropractor

MATTHEW HAMANN

Modern Chiropractic Care with Cranial and TMJ therapy

Welcome!

Thanks for choosing The Cranial Chiropractor!
Please find important information below regarding your visit.

Location

The Cranial Chiropractor is located in HATCH2 at Robina's Lakehouse Corporate Space - roughly half way between Bond University and Robina Town Centre. We're close to the roundabout off Ron Penhaligon Way.

Lakehouse Corporate Space

HATCH2

Office 439 (Suite 1)

34 Glenferrie Drive

Robina QLD 4226

Visitor Parking Spaces

The most convenient parking is the **two-hour visitor parking** section located at the front of Building 4. Building 4 is the furthest to the left when you drive in.

To find these spaces, turn left at the small turning circle at the bottom of the driveway. They are located immediately to the left and are marked **‘VISITOR’**.

Allocated Parking Spaces

If there are no visitor parking spaces, two allocated spaces are available in the **Reserved Parking** bay. The bay can be found on the left when driving in and is marked **‘RESERVED PARKING’**.

Space 161 is undercover on the left and **Space 182** is further down on the right.

Finding the Office

HATCH2 can be found on the top floor of Building 4 in Office 439. Building 4 is the furthest to the left. The top floor is Level 3.

To find HATCH2, turn left at the top of the stairs, or take the elevator to Level 3 and turn left upon exiting.

The Cranial Chiropractor is located in Suite 1 of HATCH2.

HATCH2 Front Door

The front door handle for HATCH2 does not rotate on the outside. To enter, simply pull firmly and the latch should release.

If the door is locked, please give us call and we'll let you in.

Quiet Waiting Area

There is a small two-chair waiting area by the front door. **Please be aware that this is a quiet waiting space only.**

HATCH2 accommodates several businesses, and as a courtesy, noise needs to be kept to a minimum. If you need to make noise, please do so outside. A noise-friendly table and chair arrangement can be found next to the stairs.

Thank you for your cooperation in keeping a good relationship with our neighbours.

New Patients

We recommend that new patients arrive 5-minutes early to complete the basic intake forms. The forms can be found in the folder on the chair in the waiting area.

We look forward to seeing you soon!
